Maria. There are some interesting hunting stories.

Glad to hear you are already in Iowa. Everything is relatively close to us. I did not realize you were driving. If coming from the east you will drive right by our place in Grinnell.

Dear Pete,

I hope that your hunting trip goes well! I am very excited to hear your hunting stories - this is one of the things that I really love! Usually there are a couple of interesting moments that stay in our memory for a long time. So if you want to share them with me someday...I would be happy!

As we talked before I am going to have some trip to Iowa next week. It would be great if we could have some lunch or dinner with you and may be, if you want and have some extra time, of course, you could show me your company that is very much interesting for me. I also have some fresh ideas about your business that we could discuss and see if they work for you.

I am going to drive to Iowa and will be there from Tuesday night, October, 6 till Thursday morning, October, 8. I have a couple of meetings there but my schedule for these issues is pretty flexible so let me know if, for example, Wednesday, October, 7 works for you. If not I can move my days a little bit just let me know what is the best time for us to meet.

Good luck and hope to see you next week!

Sincerely,

Maria Butina
